***Dear Handball Friends,***

The Argentine Handball Federation will be the host of the IV Men's Youth World Championship this August. It will be the second IHF World Championship in Argentina after the Men's Junior World Championship in 1995. And it will be a great pleasure for the International Handball Family to be in South America. Argentina nowadays is in the focus of international handball, not only after the Men's World Championship in Sweden, when the Argentine team played an outstanding tournament, finished as best Non-European team and beat host Sweden in an amazing game. The development of handball has improved since the current Men's team started as Youth and surprised the concurrence in Bahrain, ranking fourth in the end. This squad nowadays represents the hopes of Argentine handball, but the Youth Program of the Federation will bear rich fruits – not only in this Youth World Championships. As the hopes for the participation at the Olympic Games in London are high in the country of the defending Pan American Champion, and as the Men's team plays highly successful, the general public interest in handball has increased rapidly in Buenos Aires and all over the country. Now the Youth World Championship shall be another milestone in the history of Argentine handball – only three month after the IHF has awarded the Federation with their highest honour, the Hans-Baumann-Trophy during the Congress in Marrakesh, especially for its efforts in promoting handball.

Now a new generation of Argentine and international handball youngster will compete at the IV Youth World Championship. 20 teams from all over the world go for Gold, Silver and Bronze – but it is not only the fight for medals, but an initial point for the development of all players as it is their first intercontinental challenge on their way to Juniors and Seniors.

But it is also an important objective for the hosting nation Argentina: To organize a World Championship will bring our sport in the focus of fans, sponsors and media – and I hope this competition will be another great step for further development. The Argentine Federation is ready to take their chance to promote and to flourish. I'm convinced that the host will succeed in organizing a sporting event which is not only perfectly arranged, but also impressive and fair.

I wish all participating teams the very best of luck in the tournament and a good time ahead. And I hope that handball will receive the public interest and audience the young players worked hard for in the last years. The Argentine people are known as sports (and not only football) enthusiasts – they will cheer for their team, but also respect all the opponents in a fair and friendly manner.

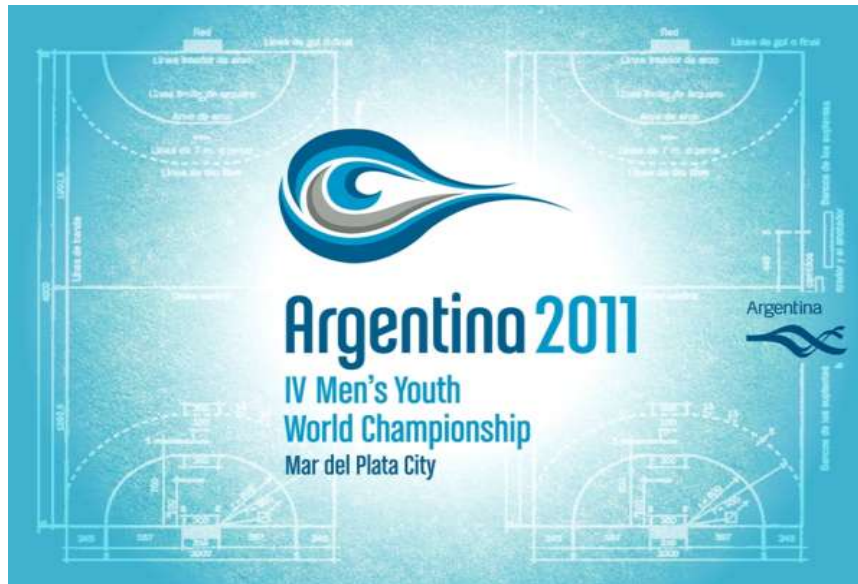

The present brochure includes many details which have been compiled particularly for your purpose and which we hope might be of use to you. We would be pleased if this brochure helped you for your orientation within the IHF, and will additionally try to keep you well informed on a regular basis. May we also refer to the information you will constantly be provided with in the different venues.

We hope for a successful staging of the World Championship as well as for a constructive collaboration and remain with kind regards,

INTERNATIONAL HANDBALL FEDERATION

Dr Hassar Moustafa  
President

## CITY OF MAR DE PLATA

### LOCATION

Mar del Plata is located 404 km south of Buenos Aires city on the coast of the Atlantic Ocean.

**Population:** 650.000

**Surface:** 1453 km

**Coast:** 47 km

**Climate:** Mild with sea influence

Temperature:

**Average yearly maximum:** 19°C.

**Average summer maximum:** 26°C.

**Average winter maximum:** 13°C.

### Access to Mar del Plata from Buenos Aires:

By Autovía 2 (freeway): 404 km.

By Ruta 11 (road): 602 km.

By Ruta 226: 441 km.

### How far is it?

By car: 4 hours (Autovía 2)

By bus: 5 hours

By train: 5.30 hours

By plane: 45 minutes

The Astor Piazzolla international airport is located only 10 minutes away from downtown. Three airlines offer different national destinations with more than forty weekly flights that increase during the summer season. About four trains reach the city daily, and the trip from Buenos Aires takes around five hours.

The modern and safe Autovía 2 joins Buenos Aires city with Mar del Plata in a four-hour trip (404 km). Three roads (11, 88 and 226) also connect Mar del Plata with Buenos Aires and the rest of the country.

More than fifty bus companies link the city with the rest of the country. The journey from Buenos Aires lasts approximately 5 hours.

### Hidrology

There are no rivers in General Pueyrredon district, still streams and lagoons arise from its topography, worth noting among them are: the Corrientes, Lobería, Seco, Chapadmalal, las Brusquitas, del Tigre, Boquerón, Ojo de Agua, la Ballenera, Huinco, Cardalito, las Chacras, la Tapera, los Cueros and del Barco streams; and de los Padres; Ponce; Santa Rosa and la Peregrina lagoons.

To the north of Mar del Plata, the cold currents of Malvinas Isles meet the warm Brazilian currents, affecting the aerologic conditions of the area.

Deep cold waters outcrop contributing with extraordinary nutrients, and thereby assuring the development of rich fish stocks

### HOTELS

Mar del Plata counts on more than 550 hotels where to stay. In the city, but mainly along the coastline, hotels cater to all tastes and suit all budgets. Options range from luxury hotels of highly reputable cuisine, sea resorts, apart-hotels, mid-range hotels, hostels, estancias (cattle ranches) and country houses to cheap residential lodgings. Accommodation offer combines with gastronomic proposals, adventure tourism, excursions, show tickets, transfers to beach resorts, horse rides, golf, sea fishing, diving, and a wide variety of entertainment for children and teenagers. For those who enjoy life outdoors, there are camp sites in the ranges area, along the coastline, towards the south of Mar del Plata and as far as Miramar city. Even some camp sites can be found along Ruta 226

(road). They offer enough place to put up a tent, park the car or the caravan, and most count on bungalows and facilities such as swimming pools, tennis and paddle courts, and are pleased to offer their gastronomic specialities.

## **TOURS**

### **DOWNTOWN**

This circuit allows visitors to appreciate the features of the architecture of Mar del Plata and its Civic Center.

#### **1. COMPLEJO CASINO - GRAN HOTEL PROVINCIAL (CASINO RESORT)**

Located on Bv. Marítimo P.P. Ramos Boulevard between Las Heras and Rivadavia Streets, this casino, together with the rock sea lions, is the classic image of Mar del Plata. What is particularly attractive about this place is that, from its esplanade, you can get a panoramic view of the main beaches. The Casino Central hosts a big hall with roulettes, baccarat, black jack, poker, dice and slot machines.

#### **2. DANCING WATERS FOUNTAIN**

This is a spectacular fountain of 40 meters in diameter offers an amazing show of light and sound. It features waters dancing to the rhythm of six different melodies specially created by Lito Vitale and staged by Juan Carlos Baglietto. It lies opposite the Casino Central, in Plaza del Milenio square.

#### **3. MUELLE DEL CLUB DE PESCA (PIER)**

Declared of patrimonial interest by the General Pueyrredon municipal government, this construction intends to resemble a transatlantic anchored at the esplanade. This effect is further intensified when the place is enlightened at night. In its bow, you can find a pub and a restaurant.

Location: P. Peralta Ramos Boulevard between Luro Avenue and Alberdi Diagonal.

#### **4. PASEO ADOLFO DAVILA (DRIVE)**

This drive lies parallel to the coast, between J. B. Alberdi Diagonal and Mitre Street. Its most attractive feature? It has a park covered with grass and beautiful flowers on one of the slopes of Santa Cecilia Hill. As you walk on, you will come across Plaza de las Américas square, the monument honoring the poet Alfonsina Storni and, carved on the rocky wall, the face of the Argentine paleontologist Florentino Ameghino.

#### **5. SAN MARTÍN SQUARE**

This is the main square of the city, located between 25 de Mayo St., H. Yrigoyen St., San Martín St. and Luro Ave. In its 4 blocks, there are very old trees and important monuments and sculptures. Surrounding the square are the City Hall, Colón Theatre and Santos Pedro y Cecilia Cathedral, among others. In the central roundabout, over Luro Avenue, stands an imposing monument that pays tribute to General José de San Martín.

#### **6. SANTOS PEDRO Y CECILIA CATHEDRAL**

This minor basilica opened its doors in 1905. The Baccarat crystal central chandelier, the vitreux brought from France and a replica of The Piety of Michelangelo are details not to be overlooked. This cathedral was declared of patrimonial interest by General Pueyrredon municipal government.

Location: San Martín 2776

#### **7. PEATONAL SAN MARTÍN (PEDESTRIANIZED AREA)**

## Match evaluation

### ***Preliminary Round***

The preliminary round is played in groups. Matches shall be evaluated as follows:

- each match won = 2 points
- each match drawn = 1 point for each team
- each match lost = no points

Teams are ranked according to the total number of points gained.

If two or more teams have gained the same number of points after the group matches have been completed, classification is decided as follows:

- results in points between the teams concerned;
- goal differences in the matches between the teams concerned;
- greater number of plus goals in the matches between the teams concerned.

If the teams are still equal, a decision is made between those teams with an equal number of points as follows:

- goal difference is subtracted in all matches
- greater number of plus goals in all matches

If classification still is not possible, a draw shall decide. The IHF representative on site shall execute the draw, if possible in the presence of the 'responsible team officials'. If the 'responsible team official' cannot be present, other co-workers selected by the IHF shall take part.

### ***Placement Round, Placement Matches, Quarter-Finals, Semi-Finals and Finals***

After completion of the preliminary rounds, all matches shall be played in accordance with the knock-out system.

In case of a draw at the end of the regular playing time, after a break of five (5) minutes, a first overtime period of 2 x 5 minutes shall be played, changing sides halfway through with a one-minute break in-between. Provisions to the contrary set for individual tournaments shall be given priority.

If the match should still not be decided after this overtime period, after a break of 5 minutes, a second overtime period of 2 x 5 minutes shall be played, changing ends halfway through with a one minute break in-between.

Should the match still not be decided after the second overtime period, it is decided with 7m penalty throws in accordance with Rule 2:2 of the Rules of the Game.

*In case of a draw at the end of the regular playing time of placement round 13<sup>th</sup>-16<sup>th</sup> and 17<sup>th</sup>-20<sup>th</sup> and in placement matches 11<sup>th</sup>/12<sup>th</sup>, 13<sup>th</sup>/14<sup>th</sup>, 15<sup>th</sup>/16<sup>th</sup>, 17<sup>th</sup>/18<sup>th</sup> and 19<sup>th</sup>/20<sup>th</sup>, 7m throws shall be executed to decide the match in accordance with Rule 2:2 of the Rules of the Game.*
