

Development Aid – Allzweck Catalogue

Dear Handball Friends,

We are happy to present you an English catalogue for training and referee equipment. This catalogue has been created to make the ordering process of your development aid request easier. The catalogue contains a selection of items of the current Allzweck catalogue, which is unfortunately only available in German. Please don't hesitate to contact us should you require any other referee or training material. We are pleased to help you to find the needed equipment in the German catalogue.

Best regards,

International Handball Federation
