## **PROFILE SUMMARY:**

My sporting and administrative career spans several decades of continuous work and dedication. My relationship with the handball began as a player, which gave me a deep practical understanding of its technical and competitive aspects, and contributed to shaping my leadership qualities and teamwork spirit from the earliest stages of my career.

After retiring from playing, I moved into administration, where I held several administrative and sports positions in government and sports field until I became president of the federation, contributing to the promotion of the game at the regional and international levels and supporting development, sustainability, and sports governance programs.

## **PROFESSIONAL EXPERIENCE AND WORK HISTORY:**

- **Director of Administration and Financial Affairs (2000 - 2018)**

**In 1982 I started working in Qatar Central Bank, and In 2000 I was titled as director of administration and financial affairs.**
