Figure 1 is a Gantt chart illustrating the distribution of 34 Italian surnames across 1000 simulated generations. The chart is organized into 1000 columns, each representing a generation. The surnames are listed on the left, and their presence in a generation is indicated by a horizontal bar. The bars are color-coded: light gray for surnames that appear in the generation, and dark gray for surnames that are absent. The chart shows the evolution of the surname distribution over time, with some surnames appearing and disappearing, and others remaining constant.
